

Important Announcement Relating to your Practice.

Imperial Road Group Surgery will be merging with Ashover Surgery with effect from 1st July 2018 to form Matlock and Ashover Practices.

Initially the two patient lists will remain independent of each other and you will therefore remain registered and seen at your current practice.

Should we decide to merge the list in the future, we will have a formal consultation process with all of our patients prior to this taking place.

The partners and management team will work together to strive to continue to provide a first class service at both locations'.

The reason for the merger is to ensure longevity of both GP practices in the area by attracting younger doctors to the practice.

As a result of the merger we are pleased to announce two new appointments.

Dr Zoe Perkins will become a partner on 1st July 2018 and Dr Carly Rosier will join the practice on 1st July as a salaried GP.

The new partnership will be:-

Dr Peter Holden

Dr Gordon Jones

Dr Anthony Sinnott

Dr Ralph Emmerson

Dr Simon Theakston
